Thank you for all you are doing
for our kids and community.
We are here for you!

High Capacity Insulated Carts

- Use to hold covered compartment trays, disposable or reusable clamshell containers, or bulk foods in hotel or sheet pans
- Hold hot foods hot and cold foods cold
- Connect electric models to an extension cord for drive up service

Mobile Racks and Carts

- Versatile ambient transport
- Use to hold shelf stable items or bags of varying heights
- Pass-through minimizes person-to-person contact

Mobile Hand Sink Cart

- 10-gallon freshwater capacity for up to 70 hand washings
- 110V electric

Ultra Pan

UPC300

GoBag®

GoBox®

Flex Station System

- Available in 5 different configurations to meet staging, storage, transport, and merchandising needs
- Store and transport GoBoxes filled with cold items for in-classroom feeding
- Use to hold sacks of multiple packaged meals or groceries for students and families
- Merchandise menu items for breakfast and snack grab 'n go programs

Insulated Carriers

- Modular and portable carriers in a wide variety of sizes and materials
- Ultra Pan Carriers and GoBoxes stack securely and hold hot or cold temperatures for 4+ hours
- GoBags have sturdy carrying straps for quick and easy deliveries

Mobile Versa Work Tables

- Use insulated wells to hold hot or cold meals or beverages in cafeteria, hallway, or curbside
- Use with well covers as a work table or staging area for insulated carriers or bags of food
